Commissioner for Patents

15 Alexandria, VA 22313-1450

Response to a non-final Office action under 37 C.F.R. 1.111**Summary of the prosecution**

20 This application was filed 4/19/99 and has been under prosecution since 6/20/00 under two examiners. An appeal filed 9/11/2003 led to reopening of prosecution on 6/14/04; since the reopening of prosecution there have been seven non-final Office actions; in the present non-final Office action, mailed March 5, 2007, the only remaining rejections were rejections under 35 U.S.C. 112, 2. par. The rejections in all of the claims dealt with

25 the same issues. Applicants' attorney telephoned Examiner on March 8 and suggested faxing a proposed amendment of claim 112 to her for discussion. Examiner graciously accepted the proposal. A discussion of the proposed amendment followed on March 27. The attached amendment to the claims responds both to the Office action of March 5 and the discussion of March 27.
